Sales Team Attrition Insights Survey

Session ID: S1051 • 50 submissions • Completed Submissions Only • Participant identity: Identified

ABOUT THIS DOCUMENT

This document contains individual survey responses from completed submissions, including base questions and any follow-up questions each participant received, in the order presented. It contains no AI analysis or summaries. For findings and interpretation, see the Survey Session Report.

HOW FOLLOW-UP QUESTIONS ARE USED

Follow-up questions explore the reasons, examples, or context behind participants' answers to base questions. Participants may receive different follow-up questions depending on their responses. Only questions presented to each participant are included.

QUESTION TYPES

- **Base Question**

A question presented to every participant.

- **Fixed Follow-up Question**

A predefined follow-up to a base question that every participant receives with the same wording.

- **Conditional Follow-up Question**

A predefined follow-up selected based on the participant's answer to the base question.

- **Adaptive Follow-up Question**

A follow-up generated in real time by TruPulse AI based on the participant's responses.

BASE QUESTION Q4

Describe one change that would most reduce attrition on this sales team.

Answer: Hybrid WLB is okay until end-of-quarter; then nights and weekends become expected. Peers in other pods describe the same pattern.

Q4 · Follow-up 1 · Conditional

What concrete action would make the biggest difference if leadership acted on your suggestion?

Answer: Follow-up from seller #5: After-hours deal war rooms became the norm; that is not sustainable for people with kids.

BASE QUESTION Q5

How valued do you feel for the deals and pipeline work you contribute?

Answer: 4

Scale: 0 = Not at all valued; 10 = Completely valued

Q5 · Follow-up 1 · Fixed

Which forms of recognition matter most to you as a seller?

Answer: Career opportunities

BASE QUESTION Q8

What is the biggest obstacle to staying and succeeding on this sales team right now?

Answer: Quota was raised 18% with no new tools, headcount, or market expansion — that is the core issue. A concrete 30-day change would matter more than another survey.

Q8 · Follow-up 1 · Fixed

Is this obstacle mainly limited to your pod/region, or does it appear across the wider sales organization?

Answer: Mostly my team or role

BASE QUESTION Q9

Which statement best describes collaboration within the sales team and with CS/SE partners?

Answer: Often blocked

Q9 · Follow-up 1 · Conditional

Can you describe a recent handoff or collaboration issue that showed the friction you selected?

Answer: Follow-up from seller #5: Pod-level culture is fine, but cross-region competition for accounts feels zero-sum and toxic.

BASE QUESTION Q10

How confident are you that feedback about sales attrition will lead to real action from leadership?

Answer: 6

Scale: 0 = Not at all confident; 10 = Completely confident

Q10 · Follow-up 1 · Adaptive

What factors most influence the rating you just gave?

Answer: Follow-up from seller #5: Closing the loop on prior listening-session themes would make people believe attrition feedback leads to action.

Answer: SPIFs help short-term, but base OTE and clarity on accelerators matter more for retention. It feels local to my manager, not company-wide.

Q8 · Follow-up 1 · Fixed

Is this obstacle mainly limited to your pod/region, or does it appear across the wider sales organization?

Answer: Several teams

BASE QUESTION Q9

Which statement best describes collaboration within the sales team and with CS/SE partners?

Answer: Inconsistent

Q9 · Follow-up 1 · Conditional

Can you describe a recent handoff or collaboration issue that showed the friction you selected?

Answer: Follow-up from seller #18: Clearer OTE, accelerators, and faster commission dispute resolution would cut compensation-driven exits.

BASE QUESTION Q10

How confident are you that feedback about sales attrition will lead to real action from leadership?

Answer: 3
Scale: 0 = Not at all confident; 10 = Completely confident

Q10 · Follow-up 1 · Adaptive

What factors most influence the rating you just gave?

Answer: Follow-up from seller #18: I need a real promotion path to senior AE within 18 months or I will look externally.

BASE QUESTION Q4

Describe one change that would most reduce attrition on this sales team.

Answer: Clearer OTE, accelerators, and faster commission dispute resolution would cut compensation-driven exits. A concrete 30-day change would matter more than another survey.

Q4 · Follow-up 1 · Conditional

What concrete action would make the biggest difference if leadership acted on your suggestion?

Answer: Follow-up from seller #7: Closing the loop on prior listening-session themes would make people believe attrition feedback leads to action.

BASE QUESTION Q5

How valued do you feel for the deals and pipeline work you contribute?

Answer: 7

Scale: 0 = Not at all valued; 10 = Completely valued

Q5 · Follow-up 1 · Fixed

Which forms of recognition matter most to you as a seller?

Answer: Career opportunities

BASE QUESTION Q6

How sustainable is your current sales workload and work-life balance?

Answer: 9

Scale: 0 = Not at all sustainable; 10 = Completely sustainable

BASE QUESTION Q7

How clear are career growth and promotion paths for someone in your sales role?

Answer: 4

Scale: 0 = Not at all clear; 10 = Completely clear

Q7 · Follow-up 1 · Adaptive

What improvement would most help address the issue you just rated?

Answer: Follow-up from seller #7: Quota was raised 18% with no new tools, headcount, or market expansion — that is the core issue.

BASE QUESTION Q4

Describe one change that would most reduce attrition on this sales team.

Answer: Protecting focus time and cutting weekend deal reviews after major pushes would improve balance. A concrete 30-day change would matter more than another survey.

Q4 · Follow-up 1 · Conditional

What concrete action would make the biggest difference if leadership acted on your suggestion?

Answer: Follow-up from seller #21: Realistic quotas with matching enablement would reduce the feeling of being set up to miss.

BASE QUESTION Q5

How valued do you feel for the deals and pipeline work you contribute?

Answer: 5

Scale: 0 = Not at all valued; 10 = Completely valued

Q5 · Follow-up 1 · Fixed

Which forms of recognition matter most to you as a seller?

Answer: Career opportunities

BASE QUESTION Q6

How sustainable is your current sales workload and work-life balance?

Answer: 8

Scale: 0 = Not at all sustainable; 10 = Completely sustainable

BASE QUESTION Q7

How clear are career growth and promotion paths for someone in your sales role?

Answer: 4

Scale: 0 = Not at all clear; 10 = Completely clear

Q7 · Follow-up 1 · Adaptive

What improvement would most help address the issue you just rated?

Answer: Follow-up from seller #21: I would stay if leadership published a 90-day attrition action plan and actually tracked it.

BASE QUESTION Q8

What is the biggest obstacle to staying and succeeding on this sales team right now?

Answer: Weekly forecast calls are theater; less time selling, more time justifying a number. Leadership has heard this before with little follow-through.

Q8 · Follow-up 1 · Fixed

Is this obstacle mainly limited to your pod/region, or does it appear across the wider sales organization?

Answer: Not sure

BASE QUESTION Q9

Which statement best describes collaboration within the sales team and with CS/SE partners?

Answer: Usually good with occasional friction

BASE QUESTION Q10

How confident are you that feedback about sales attrition will lead to real action from leadership?

Answer: 3
Scale: 0 = Not at all confident; 10 = Completely confident

Q10 · Follow-up 1 · Adaptive

What factors most influence the rating you just gave?

Answer: Follow-up from seller #21: Pod-level culture is fine, but cross-region competition for accounts feels zero-sum and toxic.
